

CURRICULUM VITAE

1. Name : Eddy Warman
2. Male / Female : Male
3. Date / Place of Birth : December, 20, 1954 / Sei Penuh
4. Religion : Islam
5. Nationality : Indonesian
6. Civil Status : Married
7. Education :
 - 1966 : Elementary School
 - 1969 : Junior High School
 - 1972 : Senior High School
 - 1979 : Graduated From Faculty of Engineering Division of Electrical Engineering, Universitas Suamtera Utara Medan
 - 2013 : Graduated From Faculty of Engineering Division of Magister Electrical Engineering Universitas Sumatera Utara Medan
8. Other Training :
 - Training for Electrical and Mechanical Design of Asahan Hydro Power in Tokyo, Japan.
 - Course of France Language, Universite de Grenoble, France
 - Stage (Study Literature Energy), Institute Economique Et Juridique de L'Energi Grenoble, France
 - Stage (Study Literature+Laboratorium D'Electrique), CNRS Grenoble, France
 - Course (Boiler, Electric Panel, Capasitor) Medan / Jakarta
9. Language : - Indonesian, Mother tongue
 - English : Good
 - France : Good
10. Membership of Professional Scienties :
 - Association of Indonesian Engineers (PII)
 - Association of Indonesian Electrical and Mechanical Contractors (AKLI)
 - Indonesian Electrical Professional Association (APEI)
 - Alliance Francaise de Medan
11. Employment Record :
 - 1980 – 1982 : Nippon Koei Consulting Engineers Paritohan, Tapanuli

- 1983 – 1985 : Utara, as Assistant Supervisor
- 1983 – 1985 : Stage, Universite de Grenoble III, France
- 1986 – 2002 : Professional Staff of PT.Daya Sempurna, Medan and PT.Industri Karet Deli Medan
- 2003 – 2005 : Contract Engineer for BIEC International
- 2002 – now : Professional staff of CV.AMIKA JAYA, Medan

12. Experience Record :

- Mar.2007 – Now : - Electrical Engineering at PLN Project, for instance : Low Voltage Distribution / Medium Voltage Distribution, Substation, Additional Electrical Power for Industries / Household / Storey Building, Electrical Panel and Capacitor Instalation, etc.
- Okt.2006 – Jan 2007 : - CTI Engineering, Co., Ltd
Electrical Engineer on Detailed Engineering Design for Laosimeme Multipurpose Dam Development under Medan Flood Control Project (JBIC Loan IP-495).
- Aug.2005 – Sep.2005 : - CTI Engineering, Co., Ltd
Electrical Engineer on Detailed Design for Additional Works of Medan Flood Control Project Package's VIII and IX.
- Dec.2003 – aug.2004 : - CTI Engineering, Co., Ltd
Electrical Engineer at Medan Flood Control Project.
- Mar.2003 – Jan.2004 : - Connection of Cable to Switch Room for Sun Plaza Shopping Centre, Instalation of Sun Plaza Switch Room / Transformator Instalation / Electric Panel and Connection from Electric Panel Switch Room to the main Distribution Panel.
(As Electrical Engineer, 11 Months)
- Jan.2000 – Jan.2003 : - Connection, increasing of electric power and instalation of electrical equipment / machine (motor, transformator and panels) at Medan Industrial Area (KIM) and Tanjung Morawa.
- Maintenance Electrical Equipment / machine in industrial area.
(As Electrical Engineer, 36 Months)
- Jan.1997 – Des.1999 : - Instalation of Electrical equipment for Housing and Industry in Medan Area.
(As Electrical Engineer, 24 Months)
- Jan.1990 – Des 1966 : - Instalation of electrical network and transformator (Medium and Low Voltage) in Sidikalang, Kisaran, Pematang Siantar, Tebing Tinggi (North Sumatera).

- Connection electric power from PLN and Generator to Transformator, Lighting, Escalator, Lift and panels at at Thamrin Plaza Shopping Centre, Uniland Plaza.
- Instalation of electrical Network for Malibu Real Estate (Medan).
- Instalation and Maintenance of Capacitor of Industrial in Medan.
(As Electrical Engineer, 72 Months)
- Jan.1986 – Des1989 : - Instalation of Electrical Network for Medium and Low Voltage in Medan City.
- Instalation of Electrical Equipment / Machine at Industrial Area on Jl. Yos Sudarso Medan.
- Instalation and Maintenance of Capacitor of Industrial in Medan.
(As Electrical Engineer, 48 Months)
- Jan.1986 – Mar.2004 : - Design, Supervision, Instalation of electric power, Increasing of electrical power and equipment machines, maintenance for PT.Industri Karet Deli.
(As Electrical Professional Staff, 28 Years)
- Jan.1980 – 1982 : - Supervision of Hydro Electric Power of Asahan Project (Sigura-gura & Tangga Hydro Power, Transmission Line of 275 KV)
(As Supervisor, 24 Months)
